PREFACE.

1625490

It is a matter of regret that all intelligent families of America do not make a permanent record of their ancestors and living relatives. Some have a few genealogical notes tucked away in places where they can rarely be found when wanted and which eventually find their way to the furnace or some unknown place. But the majority know little and care less about their family history.

A full and accurate family record placed in all of our public libraries would be of great value a hundred years hence and if such a record is not made NOW it will then be unobtainable. What a blessing it would have been if one or two centuries ago our ancestors had made and preserved a full and accurate family history! What a blessing it will be to our descendants of one or two centuries to come if we do this now!

Why can not every family select as its official genealogist some member with spare time and interest in the work and who by a study of various Court and Church records and by correspondence with distant cousins might compile and publish such a family record?

An elaborate volume with portraits and colored coats of arms may serve to impress a few readers but such a book is expensive and unnecessary. Type written or printed family sheets, bound in a loose-leaf octavo pamphlet with a flexible cover, would cost but little and being acceptable to all public libraries would serve the main purpose of perpetuating the family history.

Whoever is able to make additions or corrections to this family record is earnestly requested to send such to the compiler.

George Henry Fox, M.D.

NOTE I.

A MALE LINEAGE CHART

is convenient for reference as it shows at a glance the various lines of descent and enables one to find any adult son. The sons who died young are omitted as are also the daughters all of whom will be found in the family sheets.

NOTE II.

THE FAMILY NUMBERING

is unusual but very convenient. If ---- e.g. is numbered 1 3 5 it shows that he is in the third generation and is the fifth son of the third son of the first American ancestor as far as known. Omitting one or two right hand figures gives the number of his father or grandfather.

The daughters are lettered A B C etc.

- 1788 Manufactured Linseed oil at Falls Quequick (incorporated as Hoosick Falls in 1827) on Boston & Albany Stone Post Road.
- 1794 Moved there and was licensed to preach.
- 1797 "Elder Fox" moved to Whabir (now Chester) organized a Baptist Church there and was ordained as its first pastor.
- 1798 Its name was changed from Thurman to Chester Baptist Church.

Jehiel Fox was a prominent pioneer Baptist preacher in northern New York over a hundred years ago. He was born at East Haddam, Ct. and as a boy moved with his father Daniel Fox to Canaan, N.Y.

He taught school at Whiting's Pond (now Lake Queechee) where he married Jerusha, daughter of Capt. Hezekiah Baldwin, a Revolutionary officer who had also served in the old French war.

After moving from Hoosick Falls to Chester he continued to preach and although managing a store, a saw mill and other business enterprises, organized a Baptist Church and was ordained as its minister.

Here, as well as at other churches in this section he preached until his death and the History of the Shaftsbury Association mentions half a dozen Baptist churches established by him.

He was buried in the old burying ground at Chester ~~am~~ but in 1885 all bodies were removed to the new cemetery just out of the town.

(See in "Fox Family News" July 1913 an article by his grandson, Rev. Norman Fox.)

His military service during the Revolution has entitled his descendants to membership in various patriotic societies as he served in two states, Connecticut and New York.

All four of his older brothers, Reuben, Hubbard, Allen and Ansel were Revolutionary soldiers, Ansel having been killed at the battle of Monmouth. At the age of fifteen he joined a Militia regiment in Connecticut and marched to the relief of New London. At Canaan, N. Y. he enlisted as a private in the 17th Regt. of Albany Co. Militia in Capt. Elijah Bostwick's Co. on the pay-roll of which he is mentioned as "Hiel Fox".

(See in "Fox Family News" March 1916 an article by his great-grandson, Noel B. Fox.)
